CONFIRMATION LETTER

We are Esco Micro Pte. Ltd., manufacturer of Biological Safety Cabinets, Laminar flow cabinets, Fume hoods, Ductless fume hoods, Lab oven; Lab incubator, CO2 incubator, Ultra-low temperature Freezer, Compounding pharmacy equipment, Containment/Pharma products, IVF workstation etc., located at 19 Changi South Street 1, Singapore 486777, with a manufacturing facility in Bintan, Indonesia.

By this letter, we hereby confirm that our;

Category: Biosafety cabinet, Laminar Flow and Fume Hoods

Brand: Labculture®, Airstream®, Frontier® and Ascent®

have cabinet cost and installation cost provided separately. It's important to note that the installation checklist document is not included in the cabinet documentation kit. We would like to confirm the above information to clarify the questions of customers recently and we hope that customers remain trust and use our products in the future.

Yours Faithfully,

Merick E. Bernardino

Quality Manager
